**2015 Mercedes Repower Bid Results**  
**03.19.15**

DEALER	Engine Repower	TAX (7.50%)	OTHER FEES	DELIVERED COST*	EXCEPTIONS / COMMENTS
1. Smith Power Products, Inc. - Sparks, NV	\$70,189.00	\$5,264.18	\$0.00	\$75,453.18	1. Initial tax calculation contained mathematical error. This bid result shows correct calculation. 2. Warranty specifications confirmed to comply with CARB and Carl Moyer guidelines.
2. New Age Diesel / Valley Power, Inc. - Lee Vining, CA	\$93,712.50	\$7,028.44	\$0.00	\$100,740.94	1. Replacement engine is a OPU-Industrial Engine MTU/MBE 04R1000 C20 Series, Model OM906LA rather than engine specified in bid. 2. Disposition of removed engines not to County specifications, but instead to be "As per funding organization requirements." 3. Warranty work to be "As Required by CARB" as opposed to in accordance with County specifications. 4. Engine is 200 days out, rather than 90 days as specified by County. 5. Engine is 200 days out, and cannot be delivered within the 90 days specified by County, bid contains exception to liquidated damages for delivery after 90 days. 6. Locals Preference reduces bid to \$95,703.89, which is still higher bid
